

Cherubino

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

2023 Pemberton Chardonnay Clonal

THE VINTAGE:

The Pemberton region experienced similar conditions to Margaret River, with excellent winter rains followed by extended periods of cool and dry weather. This allowed for grapes to ripen steadily and with excellent balance and depth, particularly in the standout Chardonnay. The whites earned a rating of 8.5/10, while the reds received a rating of 7.5/10.

THE WINEMAKING:

The fruit was hand harvested and whole bunch pressed directly to clay & cement Foudre and older oak. Natural yeasts were used, in new and used French oak barrels. The wine was rested on lees with minimal preservatives added 8 months prior to bottling.

THE WINE:

A delicate structure to this lightly-oaked wine allows the gentle intensity to shine. Beautifully balanced and fine with a seamless palate and a very long finish. Thoroughly modern in style, with complexity, grace and a silky mouth feel.
